UNSTARRED QUESTION NO:3026
ANSWERED ON:16.03.2016
Height of Mohiuddin Nagar Station
Rai Shri Nityanand

Will the Minister of RAILWAYS be pleased to state:

(a) whether the height of Mohiuddin Nagar Station under Sonpur zone of East Central Railway is very less due to which the passengers face a lot of problems in boarding and deboarding the trains, if so, the details thereof and the reasons therefor;

(b) whether the Railways is likely to increase the height of platform of the said station;

(c) if so, the time by which it is likely to be done;

(d) whether the passengers have been demanding for a long time to provide the halt of the Poorabiya Express (train no. 15280) at Mohiuddin Nagar Station; and

(e) if so, the details thereof and the decision taken by the Government in this regard?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS
(SHRI MANOJ SINHA)

(a) to (c): Mohiuddin Nagar is a 'D' category Railway station. One high level platform viz platform No.1 & one Rail level platform viz platform No.2 are available at the station. Raising of platform No.2 to high level is a part of doubling of the Hajipur-Bachhwara section, which is a sanctioned project, and targeted for completion during 2019-20.
(d) & (e): Yes, Madam. Stoppage of 15279/15280 Saharsa-Adarsh Nagar Delhi Poorabiya Express at Mohiuddin Nagar is not justified, at present.
